

## *The Crest Community Clubhouse*

---

*Since 1933, the Crest Community Clubhouse has served as a magnate for social activities, town hall meetings, and even as an emergency communication center. In October 2003, the Cedar Fire destroyed the Crest Clubhouse. Through volunteer efforts, a new facility was completed in 2007.*

*This unique and charming "timberframe" structure with its open beam, exposed ceilings can accommodate up to 112 people. The lovely gardens, porches and walkways provide great photo opportunities for celebrations and events.*

*From the hardwood floors to the professional grade kitchen, you will find this facility ideal for seminars workshops, family reunions, small weddings, and social gatherings.*

*Call for a walk-through and consider this unique setting for your upcoming event. Call the Crest Community Association message line at 619-44-CREST (442-7378) or email [crestcca@yahoo.com](mailto:crestcca@yahoo.com) to set up an appointment or to obtain additional rental information.*
